

## Notice to groups accessing Sliabh Bawn Trails

To whom it may concern,

Sliabh Bawn Power DAC (SBPD) receive many requests from community and sporting organizations for permission to access and utilize the Sliabh Bawn trails for various events. While SBPD and Coillte Forest are happy to receive such requests, we must also ensure the correct procedure is followed and documentations are in place before confirming permission.

All groups and organizations are required to submit an Event Plan (form can be obtained by emailing [Sliabh.bawn@coillte.ie](mailto:Sliabh.bawn@coillte.ie) or contacting 1890 927836 Mon - Fri) and provide copy of valid public liability insurance. Public liability insurance for each event and group must indemnify Coillte Forest and SBPD against any accidents or injuries that may occur on site during an event. Upon receipt of these documents SBPD representatives will apply for a permit for the event and notify the windfarm operator.

Please allow adequate time to ensure all documents are processed in time. We recommend documents should be submitted **one month in advance of an event.**

Yours sincerely

**Enda Conaty**
